"We are taking the highlights of our 8-hour class that we have taught for Livonia Continuing Education and condensing it to a single 4-hour session. There will be lots of great information and hands-on experience. We have always enjoyed sharing our knowledge and we are looking forward to having a great session with MAC!!!" In this Mini Mac, Ruth and Linda will:

- Teach us the proper way to measure and cut single and double mats
- Give us tips to help us consider design elements when matting and framing work
- Send us home with a finished 9"x12" mat package

**Mini-price:** \$20.00 for members, \$25.00 for non-members plus a \$10 materials fee. Pence accepted for the class fee, but not the materials fee. This Mini Mac is limited to 12 students.

**Materials to bring:** Ruth and Linda will supply all materials: mat cutters, slip sheets, blades and all other materials that each student will need.

**Meeting place:** Berkley 1<sup>st</sup> United Methodist Church, 2820 W. Twelve Mile Rd. at Kipling (between Greenfield and Coolidge), 248-399-3698. Enter on Kipling Avenue (barrier free) and go down the stairs (or take the elevator) to the fellowship hall at the end of the corridor.
